BOOKNOTES

Book Group

The Eugene Hotel book group members will meet in the library at **2:30 Thursday, March 28**. We will discuss a Margaret Truman mystery of your choice. Each member will read a different mystery and then report to the group about their read.

After a colorful life of singing and acting, Margaret Truman, the only daughter of President Harry and Bess Truman, pursued a career as a journalist and writer. By the late 1980s she became the successful author of Capital Crimes murder mysteries, set in and around the Washington, D.C. area that Truman knew so well. *Murder at the National Cathedral*, *Murder on Embassy Row*, *Murder in the Supreme Court...* Margaret Truman gets better with each book, spinning a compelling mystery that will keep you hanging on until the final pages!

In the month of April, members will read *Can You Ever Forgive Me?* by Lee Israel.
