## BOOKNOTES

### Book Group

The Eugene hotel book group members will meet in the **LOUNGE** at **2:30** on **Thursday, May 30**. We will discuss the historical novel, *A Gathering of Finches*, by Oregon author Jane Kirkpatrick.

Our heroine, Cassie Hendrick Stearns, crossed the Oregon costal tidewaters in 1899 to begin her life beside the prosperous entrepreneur Louis Simpson on Oregon's wild and rugged coast. This novel details Cassie's life, yet also gives us a rich history of the development of North Bend and Coos Bay due to the generosity and vision of the Simpson Lumber Company. Shore Acres (now known as Shore Acres State Park), was a monumental undertaking by Louis Simpson as a home and garden for his wife, Cassie. However, money can't buy happiness or forgiveness, nor escape from the decisions of the past.

In the month of June, members will read *H is for Hawk*, by Helen Macdonald.
