BOOKNOTES

Book Group

The Eugene hotel book group members will meet in the LOUNGE at 2:30 on Wednesday, June 19. We will discuss *H is for Hawk* by Helen Macdonald

On the surface this book is a falconry book chronicling the training of a Northern Goshawk, and yet it is much more. It is a brilliantly written memoir of the darkest time in Helen Macdonald's life, as she struggled to cope with the sudden death of her father, noted photographer Alisdair Macdonald. There are tearful misunderstandings and glorious steps forward. Helen's progress is not as steady as her hawks. "The hawk was everything I wanted to be: solitary, self-possessed, free from grief and numb to the hurts of human life." As the training progresses, Helen discovers that grace resides in the most unlikely places and that moving forward means leaving some things behind.

In the month of July, members will read *The Life and Times of the Thunderbolt Kid*, by Bill Bryson.
