BOOKNOTES

Book Group

The Eugene Hotel book group members will meet in the lounge at 2:30 on Thursday, September 26. Members will discuss *Women of the Silk* by Gail Tsukiyama. This novel takes place in rural China in 1926, where a group of women forge a sisterhood amidst the reeling machines that reverberate and clamor in a vast silk factory from dawn to dusk. Leading the first strike the village has ever seen, the young women use the strength of their ambition, dreams, and friendship to achieve the freedom they could never have hoped for on their own. Graceful prose weaves the details of the silk work and the Chinese village life into a story of miraculous courage and strength.

In the month of October, members will read *The Rent Collector* by Camron Wright.
